CUB SCOUT PACK 801

Cubmaster's Corner

Hello Scouts and Parents!

I hope the start of the scouting and school year is going well for everyone. Hopefully your popcorn sales are through the roof, and we'll have our own Pinewood Derby track when the dust clears! Thank you to everyone who volunteered for Olson Family Fit day. It was pretty windy, but it looked like everyone was having a good time. October's scout theme is "Responsibility" and it is also "Fire Safety Month", so take a few minutes to think about the responsible things you and your family can do to practice Fire Safety!

Thanks,
Brian Bieniek

Popcorn Sales!

Keep up the good work with the popcorn sale. Pack 801 will have a booth sale outside Copps on Junction Rd. on Oct 19 & 20th. Watch for an email with details. Please remember you can deposit proceeds and pick up popcorn with the Kernel at any point during the sale. It is much easier to manage the process as we go, rather than to wait until the last day and turn in your money/orders all at once.

Popcorn Sale Ends - Oct 20th
Money Due to Kernel - Oct 26th
Final Orders Due to Kernel - Oct 26th

Last month the Wolves completed Achievement 2: Your Flag. We learned about the Wisconsin state flag and were shown how to care for and display the U.S. flag. We raised and folded a U.S. flag and participated in/led an outdoor flag ceremony.

Your Scout should be working on putting together a collection to share with the group at an upcoming meeting.

Our next den meeting is on October 24th from 6:30-7:30 at the Madison Fire Department Station #12 at 400 S. Point Road.

Our first meeting of the year was postponed due to thunderstorms (seems to be a trend for us). But that didn't stop us, for the next week we had a beautiful evening. We did a litter pick-up at Olson Elementary first. Then we learned about bike safety and ended the meeting with a 4-mile bike ride. It was a great way to kick off the year!

The Bear Den is off to a ROARING start. At the September den meeting they created a one-of-a-kind Bear flag, practiced the flag ceremony for the Pack meeting, started a scrapbook, began an exercise log, and created their own Code of Conduct.

Pack 801 Bear Code of Conduct

- No dancing at inappropriate times.
- No not having Fun!
- No playing tag during the den meeting.
- Do not talk over the leaders or others.
- Do Your Best!
- Keep your hands, feet, body parts and all other objects to yourself.
- Stay seated.
- Be honest and tell the truth.

They also helped out at the PTO sponsored Family Fit Day fundraiser. They enjoyed the volunteer work almost as much as the Fun Fit Day activities! Selling popcorn has been a hit with the Bears, too. Successfully selling the large UW tin of Chocolate Lovers Popcorn to Coach Anderson's wife had a couple Bears with cheek to cheek smiles on their face!

A lot of fun is in store for the Bear Den during October. Check next month's newsletter for pictures of the Bear den sitting inside the Police Department's holding cell and also making their way through a Madison park using maps and compasses.

Our next Den meeting is November 7th at 6:30pm at the Madison Police Department (1710 McKenna Blvd). We also have a Field Event on Saturday, October 19th at 9:00 am at the Valley Ridge Park (1281 Meadow Sweet Drive) for Map and Compass Fun!

The Webelos II den is working towards fulfilling the Arrow of Light Requirements. The scouts participated in a day hike at Devil's Lake State Park this past week and had a great time climbing around all the rocks.

Our next den meeting is Tuesday, October 29th at 6:30 pm--location yet to be determined. The meeting will focus on the Arrow of Light Requirement #2: showing knowledge of the scout oath and law; review of scout motto, slogan, sign, salute and handshake; understanding of the First Class Scout Badge; differences of Boy Scout/ Webelos Scout uniform and tying a joining knot.
