CUBMASTER'S CORNER

Hello Families, Scouts and Potential Scouts,

Welcome back to school and another fun year of scouting! Hopefully everyone is settling into their new schedules nicely. I'm excited to see all the boys in their new dens this year! The Pack as a whole and your individual dens have some wonderful activities planned throughout the year. September also means POPCORN time again! If you remember last year, we were able to buy our own Pinewood Derby Track due to all of the hard work everyone put into selling. At September's meeting, we'll learn how this year's hard work will pay off. See you soon!

Sincerely,
Brian Bieniek
Cubmaster, Pack 801

Webeles II Scouts will have their first meeting next week. We are going to take advantage of this nice weather and go on a hike together. I feel it is rather symbolic as we begin our final journey together toward their Arrow of Light. We are looking forward to a great year, with many new adventures to help them fulfill their final requirements. I could not be more proud and excited for them!
