

# CUB SCOUT PACK 801

## CUBMASTER'S

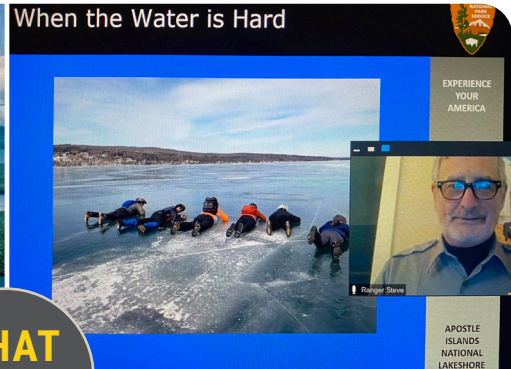

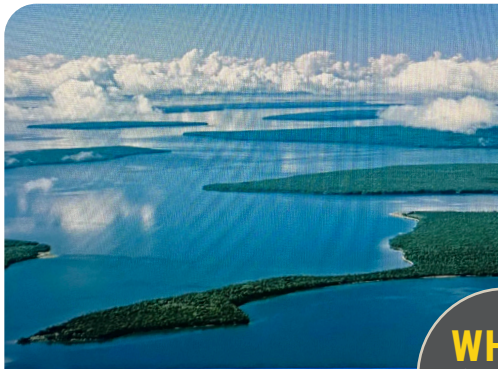

### Column

As we start 2021 together, we will get ready for some big changes. A change in leadership—both for our country and for our pack. I have finished my term as Cubmaster and Jenn Pingel will be taking over the position. Jenn has been with our pack for 3.5 years and has completed her BALOO training. She brings excellent leadership skills and excitement for the new position. I will stay on as Assistant Cubmaster until the next person can fill my spot. Jenn and I are excited to continue planning fun events for the pack, most of which will likely be scheduled over the summer and next fall. We have delayed our Lambeau Field overnight as they have cancelled all spring reservations for the second year, but we are already on the waiting list for a fall weekend. We also hope to plan a campout for early June.

Thank you all for trusting me to lead this amazing group of scouts and families for the past two years. I love being a part of this pack and can not wait to get back together in person.

Thank you to each of you who sent artwork to the Four Winds Manor over the past two months! Also a big round of applause for everyone who remembered to do something helpful for another person. Try to make it a habit—a scout should strive to do a good turn daily.

## Virtual Car Show

**Due January 26th:** Please send your car photos and the below information to Mark Pingel: [pingel\\_mark@hotmail.com](mailto:pingel_mark@hotmail.com)).

**Include:**

- Scout name
- Car name
- Den name
- Description or motivation for car

**Provide two high resolution photos:**

- ① Front profile on white background
- ② Side profile on white background

**To see as much of the car design as possible, take pictures at a slight downward angle, about 45 degrees.**

Mark will assemble all submissions in a PowerPoint presentation, send it to our Pack and post it on the Facebook page. We will alert everyone once it's ready and allow week for people to vote on all the cars.

**We will vote in four categories:**

- Best Classic Car
- Most Colorful Car
- Craziest Car
- Most Creative Design

The Tigers have been working on our requirements, and completed Tiger Bites before Christmas.

We are learning how to prepare our food by starting with proper hand washing and cleaning our vegetables and fruits before we cut them. We also learned that fruits have seeds and vegetables do not. Who knew?!? (Photo top right)

We are looking forward to getting together again soon.

Tiger Den Leader

**TIGER**

The change in weather moved the Wolves indoors, but we are still meeting virtually and having fun! In December Tim Conroy led us through the Adventures in Coins adventure. We learned about the parts of a coin, the mint mark, where and how they are made, and had an opportunity to play a game. Each Wolf also worked on a coin rubbing and shared them with the den. We are looking forward to continuing to meet virtually until the weather permits us to get back outside! (Photo left)

**BEAR**

The Bear Den took the holiday season off, but we are excited to get back together this month to finish our Bear Claws requirements and to begin our Baloo the Builder Adventure. We reviewed knife safety and learned proper whittling techniques as a den.

Sam Sibley, Bears Den Leader

**WEBELO**

In December the Webelos completed the Into the Woods Adventure.

During the meeting, Kristin Lamers who is a Naturalist at the UW Arboretum, gave a presentation. She discussed different plants and trees that live in our area, described parts of a tree and growth rings of a tree. (Photo at right)

Everyone learned a lot!

The AOLs attended a virtual meeting with Troops 140 and 40 (Girls troop). They learned more about Scouting at the next level, and worked towards their Scouting Adventure requirement.
