

CUB SCOUT PACK 801

CUBMASTER'S

Column

The clocks turned back, but we are looking forward to more exciting Scout activities. Last month's Pack Meeting was so much fun. Hopefully your Scout was able to finish up their building kit!

The cold weather is officially upon us! Starting this month, we will move our meetings back indoors in our original location inside the lunchroom at Olson Elementary School. It has been about 20 months since we have been there! Unbelievable!

Winter tends to have a few fun events for us Scouts. It is time to start building our Pinewood Derby cars for the January Derby, which is scheduled for Saturday, January 22 at Good Shepherd Church on Whitney Way and Raymond Rd. We have an electronic track, instant heat results, and tons of cheering! Definitely an event that you don't want to miss!!

Lastly, let us all remember as we head into the busy holiday season that Thanksgiving is a great time to put into practice a few points of the Scout Law: kind, courteous, friendly, and helpful. What a great opportunity we have to do a Good Turn Daily.

Popcorn Sales Update

I am so impressed with Pack 801's popcorn sales this year. We sold a little over \$7,000 of popcorn and received about \$500 in donations. Way to go Scouts and families!!!

Hazel worked very hard to memorize all the elements of the Bobcat Badge: Scout Oath, Law, Handshake, Sign, Motto, and Salute. She proudly recited the Oath at last month's Pack meeting.

She's completing her Tigers in the Wild Adventure with the Lion Den's help. We had a bracing but fun hike in Owen Conservation Park where she carried her Six Essentials.

Tiger Den Leader

The Wolf Den had its first meeting recently and is looking forward to getting together soon for a fall hike.

WOLF

BEAR

The Bears are excited for their upcoming November Adventure. We will be meeting with two detectives from the Middleton police department who will discuss how they collect evidence and use the various skills they have to process crimes and keep us safe. This is part of the Forensics Adventure. We cannot wait!

Bears Den Leader

ARROW of light

The Webelos/AOL Den had a great meeting in November. Each scout took turns demonstrating their leadership abilities by leading an activity.

Tyler and Noah led a Frisbee activity, Henry led a drawing demonstration, Harrison showed us how to do an awesome karate form and Gabe showed us how to create Frisbee art.

All the Scouts were very impressive!
