

# CUB SCOUT PACK 801

## CUBMASTER'S *Column*

Hello, Pack 801!

Thanksgiving is almost upon us, and we have much to be thankful for.

Thank you for all of your dedicated work in selling popcorn for our fundraiser! We far exceeded the goal of \$10,000 that I set for the pack, so we will celebrate with a pizza party in December. We are also thankful for a growing pack, new leaders, and many fun adventures.

As you spend the holidays with friends and family, look for opportunities to serve your communities and loved ones. What a great chance to do a Good Turn.

*Do all the good you can  
By all the means you can  
In all the ways you can  
In all the places you can  
At all the times you can  
To all the people you can  
As long as ever you can.*

WHAT  
we've been  
up to

The Pack service project and hike to Picnic Point were productive and cheerful, and the weather was with us. Our Scouts took their trash pick-up duty seriously, and their bags were full when we arrived at the trail's end. Scouts assisted our fire marshal, Damon, in building a fire in the ring. The s'mores tasted like fall and fueled the kids in an original Halloween song led by Kelvin and his mom, complete with hand-crafted visual aids. (top)

This month the Lion Den Lioness had a fun time participating in the Picnic Point service project picking up trash and hiking with her the Pack.

She joined the Tiger Den as a Knight of the Picnic Table at Badger Prairie to display her chivalry as a knight and demonstrate her agility skills.

**LION**

The Tigers (and Lion!) completed the Good Knights Adventure. We learned that the Scout Law is similar to a knight's code of chivalry.

The scouts transformed into the "Knights of the Picnic Table" and conquered the dragons plaguing the playground.

**TIGER**

This month our three Wolves earned their Paws on the Path belt loop during hikes on the Ice Age Trail through Badger Prairie Park and Kettle Moraine Preserve. Hiking safety, the buddy system, appropriate clothing, and identifying native animals were mastered!

**WOLF**

**BEAR**

The Bears got together recently at one of the Scout's house and completed the Roaring Fun elective, just for fun.

They had a great time sharing jokes, doing Mad Libs, and eating marshmallows.

**WEBELOS**

Over the last month the Webelos tackled the Cast Iron Chef Adventure. They learned how to make a fire, meal planning, good nutrition, and safe cooking skills in a fun and energetic environment.

Rich also taught the boys some basic first aid. From hot dogs over an open fire to an amazing Ding-Dong cherry cobbler in a Dutch oven, a fun time was had by all!
