

# CUB SCOUT

## PACK 801

### CUBMASTER'S *Column*

This month's theme is loyal. As Scouts we are loyal to our families, friends, Scout leaders, school, and our country. We demonstrate loyalty by being reliable, dependable, and willing to stick by others who have supported and helped us.

May 26th is Memorial Day when we honor and mourn U.S. military personnel who died serving the United States Armed Forces. We might show our loyalty by decorating headstones of veterans or visiting headstones of our relatives who served their country in the Armed Forces to honor them for their service. Other ways we can show our loyalty are: obeying our teachers, parents, and other trusted adults, being a good student, doing your part without complaining, and being a good friend to others.

What ways can you think of to practice being a loyal Scout?

We had a great time getting to know our new Tiger, Nandita during our last den meeting!

The Wolves were experts at helping her participate in the den flag ceremony and recite the Oath and Law.

The weather was beautiful for playing some outdoor games, working on teambuilding and then enjoying a healthy snack.

## Volunteer Needs

We need your help to make upcoming events a success! We're looking for volunteers to fill three key roles: **Pack Picnic Committee Member, Spring Campout Committee Member**, and a **2025 New Scout Coordinator** to welcome next year's families. If you're interested in helping out or want to learn more, let us know—many hands make light (and fun!) work!

Email Joy at [jwade@uwalumni.com](mailto:jwade@uwalumni.com) to volunteer your time and learn more about each need.

**Pack Committee Meetings:** We also welcome all parents to join our Pack Committee meetings to stay in the loop and get involved. Our next meeting covers long range planning for next year on June 24 at 6 pm at #12 Fire Station Community Room—come check it out and see how you can be part of the fun behind the scenes!

## BEAR

The Bears had a blast completing their "Roaring Laughter" elective. We planned a huge scavenger hunt, collecting eggs, that had jokes, riddles, and charade ideas inside. We were lucky enough to have a couple extra friends join us for the games. It was a HOOT of a time and really showed off their wit and fun personalities. We are so proud of them.

## WEBELO

At our last Webelos den meeting, we welcomed our newest scout, Sid, and jumped right into the action with a lively game of ultimate frisbee—girls vs. boys (with Mr. Damon joining the boys). The girls claimed victory, but everyone showed great sportsmanship, teamwork, and fun!

The scouts also team taught Sid the Bobcat requirements. A great mix of fitness, learning, and Cub Scout spirit—way to go, Webelos!
